**THE HON'BLE SRI JUSTICE V.V.S.RAO**

WRIT PETITION No.18964 OF 2006

ORDER:

The first petitioner is the owner of M/s.Sri Sai Purified Drinking Water, a concern manufacturing and marketing packaged drinking water. The first petitioner obtained service connection No.3708 from the respondents and was allegedly regular in payment of current consumption charges. However, on 25.3.2006, it appears that the respondents disconnected power supply on the allegation that the petitioner did not obtain certificate from Bureau of Indian Standards (BIS). Therefore, the present writ petition is filed.

This Court in W.P.No.12434 of 2006 dealt with a similar question. Observing that the procedure adopted by the respondents is contrary to Clause 42.2 of Terms and Conditions of Supply of Electrical Energy, 1975, this Court allowed the writ petitions with costs. Following the same, this writ petition is also allowed. The respondents are directed to restore power supply to the petitioner, as and when she approaches the third respondent with a copy of this order. As the petitioner approached this Court with some delay, this Court does not make any order as to costs.
